INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

(1) *The Cherokee Nation v. The United States*, General-Jurisdiction Case No. 23199; (2) *The Eastern and Emigrant Cherokees v. The United States*, General-Jurisdiction Case No. 23212; and (3) *The Eastern Cherokees v. The United States*, General-Jurisdiction Case No. 23214.

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Related Records

The records reproduced in this microfilm publication are part of the records in the custody of the National Archives and Records Service (NARS) designated as Records of the U.S. Court of Claims, Record Group (RG) 123. Among related records in this record group are additional records relating to Miller's enrollment of the Eastern Cherokees. These include receipts for Treasury warrants and miscellaneous correspondence, 1906-11. The original of these records is in RG 123; a copy is in RG 75.

Some related records in Records of the Bureau of Indian Affairs, RG 75, have been reproduced as NARS Microfilm Publication T496, *Census Roll, 1835, of the Cherokee Indians East of the Mississippi and Index to the Roll*. Also in RG 75 are the classified subject files of the Bureau.

Records Relating to Enrollment of Eastern Cherokees by Guion Miller, 1908-10, M685, contains the general index to Eastern Cherokee applications, 2 volumes; the report submitted by Guion Miller, May 28, 1909, 10 volumes; the roll of Eastern Cherokees, May 28, 1909; the report on exceptions filed, January 5, 1910; the supplemental roll of Eastern Cherokees, January 5, 1910; transcripts of testimony, February, 1908-March 1909, 10 volumes; various indexes and rolls of Eastern Cherokee Indians, 1851, 1854, and 1884; and miscellaneous notes and drafts.

Additional records relating to the enrollment of Eastern Cherokee Indians are in Records of the Office of the Secretary of the Interior, Record Group 48.

These records were prepared for filming by Jestine Turner and William D. Grover, who also prepared these introductory remarks.

Sir:

Replying to your letter of June 26, 1908, relative to the applications of Nancy Bradford and children for participation in the Eastern Cherokee fund, you are advised that these applications have been given a preliminary examination but they have not been finally acted upon.

More than 44,000 applications have been filed and in many instances testimony will have to be taken locally in order to obtain the necessary information to pass upon the claims. Some of this testimony has already been taken and several parties are now engaged upon this work, but it will necessarily take considerable time to complete the taking of testimony and the final adjudication of the claims.

If we are unable to reach a conclusion as to these cases the claimants will be notified to appear before one of my assistants at some convenient point to furnish the additional testimony required.

Sir:-

Replying to your letter of August 5, 1907, you are advised that the applications for participation in the Eastern Cherokee fund have not been taken up for final consideration, as the Court of Claims in its order of April 29, 1907, has extended the time for the filing of applications to August 31, 1907, and until the applications have all been filed it will be impossible to give final consideration to any of them, or to state how much each successful claimant will receive.

As there are already over 32,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If there is any further information required in connection with your application you will be advised.

Very respectfully,

Washington, D. C.

Sir:-

In response to your personal inquiry of today, relative to the letter of Mr. A. G. Foster of Madison, Georgia, bearing date of January 28, 1907, and addressed to you, in which he asks for information relative to the Eastern Cherokee application of William Waters, I have the honor to state that said application was duly filed in this Office on August 31, 1906, and the letter of Mr. Fosters will be filed with the same for reference.

Mr. Foster calls attention to the fact that the said William Waters died in November last, and wishes to know whether or not his widow will be entitled to a portion of the share that the said William Waters would have been entitled to.

The claim of the said William Waters has not yet been adjudicated but if it is found to be good his share would go to his legal representatives under the terms of the decree of the Court of Claims, and therefore, his widow would be entitled to her portion under the law. At this

time it would not be necessary for her to take out letters of Administration, but it would be well for her to file a letter setting forth the date of the death of her husband, and the names and post office addresses of his children, if he had any. This letter would be filed with his application and she will be notified if any further proofs are required.

For your further information an Eastern Cherokee poster is, herewith, inclosed.

Mariah Waters has employed me to look after this claim for her.
She is now in my office and informs me that William Waters died on Nov.

recognized and lived with her as his wife to the day of his death and from
this alliance no child was ever born.

Replying to your several inquiries I beg to inform you that Mariah Waters, the widow of William Waters, tells me, and her information is correct so far as I am able to learn, that William Waters was neither a slave of white people or of the Cherokee Indians. Mariah Waters, the legal and lawful wife of William Waters, is living in this County and is the only person entitled to share in his estate. She is aged and very feeble and if she is justly entitled to any money in accordance with the decision by the Court of Awards, we, as her representatives in this matter, will appreciate any effort you may deem proper to make to put her into possession of it at an ^{early a} earlier date as possible. This old woman has nothing that we know of, and we are informed by a reliable and trustworthy negro, of this County, that he affords her small sums of money from time to time to feed and maintain her.

Sir:

Your letter of March 21, 1908, inclosing a letter from Mr. A. G. Foster, of Madison, Georgia, relative to the application of William Waters, deceased, is at hand.

You are advised that from the evidence we have been able to gather, by correspondence, we are unable to connect William Waters, deceased, with the Eastern Cherokees. From information received we are inclined to believe that this party was a negro and not a Cherokee Indian, but his widow, Mariah Waters, states that he was never a slave.

This case has been marked for the field and will be given further consideration when our field party reaches Georgia.

Before this application can be approved it will be necessary for evidence to be furnished tending to establish the fact that the parents or grandparents of William Waters were recognized members of the Eastern Cherokee Tribe of Indians at the date of the Treaty of 1825-6 and 1846, or, are descendants of such persons.

When this application is reached for final examination

Dear Sir:-

In re:- Application #5 William Waters.

In this afternoon's Atlanta Journal is an article which says that some thirty odd thousand applicants claims for participation in the Eastern Cherokee fund had been approved and that quite a number of these applicants lived in this State. I write to inquire concerning the claim of William Waters #5.

I have your letter under date of March 23-1908 before me. This letter is addressed to Congressman Wm.M.Howard and forwarded by him to me. In this letter you say:- "From information received we are inclined to believe that this party was a negro and not a Cherokee Indian, but his widow, Mariah Waters, states that he was never a slave. This case has been marked for the field and will be given further consideration when our field party reaches Georgia. ***** When this application is reached for final examination in the field Mariah Waters, or her attorney, will be notified."

I have never heard anything of this claim since your letter above referred to and quoted from. I am told by the oldest citizens of this County, where William Waters lived all his life, that he was a full blooded Cherokee Indian. I knew him myself and he certainly looked like an Indian and bore the reputation of

being one. His widow- Mariah Waters- is almost reduced to penury and is cared for by relatives and friends. If there is any flaw upon the title of Waters to participate in this fund I feel assured that it can be removed upon investigation. I devoutly believe that his claim of being a Cherokee Indian is grounded in truth and fact. If the claim has not been approved if you will kindly write me what is necessary for it to pass muster I will do my level best to obtain it.

I could myself make affidavit that Waters was not a negro.

Whether or not he was a full blooded Cherokee I do not personally know as I am entirely too young. My father who is 63 years of age says that he has known or did know Waters all his life and he was never a slave and that he always regarded him as a full blooded Cherokee Indian.

Will you kindly let me hear from you at your earliest convenience.

Very truly yours,

A. G. Foster

State of North Carolina,
Cherokee County.

I, Martha Ann Meroney, being first duly sworn, depose and say: I am 73 years of age according to the best of my knowledge, and I reside at Murphy, in said County of Cherokee. I am the widow of the late Bailey Barton Meroney, and Baily Barton Meroney M. D. is my son. He lives at Murphy, N. C.

I am the daughter of John Welch a half blood Cherokee Indian and his wife Elizabeth Blythe a white woman. My mother the said Elizabeth Blythe was a daughter of Jonathan Blythe, a white man, and Annie or as she was sometimes called, Nannie Barnes, a white woman. I was three years old when my grandmother, the said Annie Barnes Blythe died.

My grandfather the said Jonathan Blythe lived several years after the decease of my grandmother, and I remember that my son above mentioned, was twelve or fifteen years old at the time of Jonathan Blythe's death.

My mother had one brother named James Blythe who married an Indian woman named Sally Downing. My mother had five sisters, Rebecca married a Walls; Stacey married a Dorman; Sally married a McDaniels; Ona married a Parker; and Mary Ann who married a Hampton. These five aunts and one uncle were all of full white blood.

I had seven brothers and four sisters, as follows: David Welch, Edward Welch, John C. Welch, Jonathan Welch, James Welch, Richard Welch and Lloyd R. Welch, Polly Welch (Powell), Niecey Welch (Daws), Stacey Welch (Taylor) and Rebecca who died single, at the age of 19 years. My sister Stacey's husband was Cambell Taylor, all of my brothers and sisters are now dead.

My uncle James Blythe and his wife Sally Downing the Indian, had two daughters name Stacey and Mary Ann.

Stacey married a Beck, and Mary Ann married a Sneed. I know these cousins as well as I know my own children, they had Cherokee Indian blood.

I was acquainted with David Taylor, as we were raised on adjoining farms. His wife was Polly Bigby, a red-headed Irish girl, who was adopted by the Bigby family. She came from Tennessee. Mrs. Bigby her adopted mother, was an Indian. I was acquainted with James Taylor the son of David and Polly (Bigby) Taylor. He died a few years ago. He was an old man at the time of his death. His wife's name before her marriage was Addie Manchester.

I saw Polly Taylor, wife of David Taylor, very frequently during my young days, and she came to our house very often before and after my marriage. She was a good old woman, but it was the common understanding that she had no Indian blood.

We of the family always heard that my mother's mother Annie Barnes, came from Scotland. She came to South Carolina where my grandfather married her, when they moved to North Carolina.

The Cherokee Indians adopted my grandfather, Jonathan Blythe, but we always understood that he never received any money from the Indians.

My brother Lloyd R. Welch was Chief of the North Carolina Cherokee Indians for several years. It was never claimed by any member of my family that Annie Barnes was and Indian, so far as I know.

My Indian blood and that of my brothers and sisters comes from my father John Welch, and through no other line of kinship, and further the deponent saith not.

I, John Alvin Powell, of Cherokee County, North Carolina, being first duly sworn, depose and say:

I am 56 years of age and live about four miles from Andrews, N. C., in said County where I have had my home for nearly all my life. My home has always been within one mile of the farm of David Taylor, whose wife was Polly Bigby, the adopted daughter of Jack Bigby a Cherokee Indian. Mrs. Taylor was of light complexion, and had sandy or red hair. I have been in her house hundreds of times, and knew her well as a neighbor. She told me that she was a red mouthed Irish woman and that her husband was a Scotchman. It was the common understanding that she had no Indian blood, and I verily believe this to be the fact, and this was the belief of my parents and grandparents as often expressed in my hearing.

I knew David Taylor's son, James Taylor and attended school at Robbinsville, N. C. with some of his children. It is my understanding and belief from observation and common report that none of the Taylor's above mentioned, had any Cherokee Indian blood.

None of these Taylors showed Indian blood. My grandfather was John Welch a Cherokee Indian.

Mr. Frank E. Churchill,

Special Indian Enrolling Agent for Eastern Cherokees at
Cherokee, N. C.

Dear Sir:-

I have sent to you the Claims of several families, whom I think should be enrolled for their share of the money for the sale of the 35000 acres of Timber Land on Qualla Boundary, two instalments of which are now due.

1. I also enclose a copy, as an Exhibit, of a letter of a former commissioner of Indian Affairs, Hon. Hiram Price, who took great interest in the North Carolina Cherokees, showing how these lands were obtained, and to whom they belong.

2. I also enclose a list of the children of David and Polly or Mary Taylor, who paid about \$2000 into the Qualla Boundary, and on account of which the heirs of James Taylor, deceased in 1906, now living in Indian Territory, and who, until a few years since, lived on Qualla Boundary, claim their pro rata. The original of this paper is filed with Guion Miller, Special Commissioner of Cherokee enrollment for the \$5000,000 fund.

3. I enclose a statement and compilation, made from records in his possession, and from others to which he had access, and from memory, of James Taylor deceased, with reference to the Cherokee blood, and the descendants of Elizabeth Hardin and others. The original is filed with the commissioner.

4. The names of Elizabeth Hardin and her children are not found on the Hester Roll, for the reason, I suppose, as follows: I was at Cherokee, N. C., when that Roll was made, and Hester said to me "I will not put them on the Roll, (referring to the Hardins), to please James Taylor, for they are illegitimate." I did not understand enough

Mr. Frank E. Churchill,---2.

about the matter at this time to protest. You will see by Taylor's statement, herewith filed, that they were married according to Cherokee law; but had they not been married at all, the children were still entitled to be enrolled as a part of the Cherokee Tribe, which they were, for under the common law, an illegitimate can inherit from his mother and from his father, if the father recognizes and supports him, as in this case. The Hardins have been living on Qualla Boundary for the last twenty-five and thirty years, and are entitled to their holdings as Cherokees, both from their father and their mother.

5. I send, still further to elucidate the case, the statement of Charles H. Hardin who with Lewis H. Smith occupy with their families two tracts of land on Qualla, showing the amounts paid in by his ancestor, James Taylor, of \$2000.

The Families of James and John Maney, Descendents of David Vann and Kizar Vann whose names will be found on page 168 of the Roll of 1835, a portion of their descendents on the Malay Roll, and the following names on the duly authenticated Roll of William H. Answering your letter of April 8, 1908 (No. 257.) you are informed that I have several copies of an alleged statement by James Taylor, two or more of which were sent to me by Mrs. Belva A. Lockwood of Washington, D. C., but I have never seen the original.

Washington, D. C.

Sir:

Answering your letter of April 8, 1908 (No. 257) you are informed that I have several copies of an alleged statement by James Taylor, two or more of which were sent to me by Mrs. Belva A. Lockwood of Washington, D. C., but I have never seen the original.

A copy came to me with Mrs. Lockwood's letter of January 15, 1908, when she informed me that the original was in the hands of the Commissioner, but I had no knowledge as to whether she referred to yourself or the Commissioner of Indian Affairs.

I forward herewith copies of affidavits by Martha Ann Meroney, and John Alvin Powell that may be of interest to you. Both these persons are educated and intelligent.

Very respectfully,
(Signed) Frank C. Churchill,
U. S. Indian Inspector.

My Dear Sir:-

In answer to yours of recent date will say, I was living in Flint District Cherokee Nation in 1851, therefore was not in the East in 1851; I was enrolled here in Flint District in 1851, and I was enrolled by the Commission to the Five Civilized Tribes under the name of Wiley Taylor; I was residing in Cherokee Co. North Carolina in 1882, I married in North Carolina in 1880, and lived in that State until in 1883, at which time I came West to the Cherokee Nation and I have lived here continually every since, therefore was living at home and boarding at the same place.

I am now 80 years old, and I would be very glad that you get what is due me out of this Eastern Cherokee money as early as possible so that I can get one square meal out of it while I am living.

Yours truly,

Wiley Taylor

State of North Carolina,
Cherokee County.

I Martha Ann Meroney, being first duly sworn, depose and say: I am 73 years of age according to the best of my knowledge, and I reside at Murphy, in said County of Cherokee. I am the widow of the late Bailey Barton Meroney, and Baily Barton Meroney M. D. is my son. He lives at Murphy, N. C.

I am the daughter of John Welch a half blood Cherokee indian and his wife Elizabeth Blythe a white woman. My mother the said Elizabeth Blythe was a daughter of Jonathan Blythe, a white man, and Annie or as she was sometimes called, Nannie Barnes, a white woman. I was three years old when my grandmother, the said Annie Barnes Blythe died.

My grandfather the said Jonathan Blythe lived several years after the decease of my grandmother, and I remember that my son above mentioned, was twelve or fifteen years old at the time of Jonathan Blythe's death.

My mother had one brother named James Blythe who married an indian woman named Sally Downing. My mother had five sisters, Rebecca married a Walls; Stacey married a Dorman; Sally married a McDaniels; Ona married a Parker; and Mary Ann who married a Hampton. These five aunts and one uncle were all of full white blood.

I had seven brothers and four sisters, as follows: David Welch, Edward Welch, John C. Welch, Jonathan Welch, James Welch, Richard Welch and Lloyd R. Welch, Polly Welch (Powell), Nicey Welch (Daws), Stacey Welch (Taylor) and Rebecca who died single, at the age of 19 years. My sister Stacey's husband was Cambell Taylor, all of my brothers and sisters are now dead.

My uncle James Blythe and his wife Sally Downing the indian, had two daughters name Stacey and Mary Ann.

Stacey married a Beck, and Mary Ann married a Sneed. I kn w these cousins as well as I know my own Children, they had Cherokee indian blood.

I was acquainted with David Taylor, as we were raised on adjoining farms. His wife was Polly Bigby, a red-headed irish girl, who was adopted by the Bigby family. She came from Tennessee. Mrs. Bigby her adopted mother, was an indian. I was acquainted with James Taylor the son of David and Polly (Bigby) Taylor. He died a few years ago. He was an old man at the time of his death. His wife's name before her marriage was Addie Manchester.

I saw Polly Taylor, wife of David Taylor, very frequently during my young days, and she came to our house very often before and after my marriage. She was a good old woman, but it was the common understanding that she had no indian blood.

We of the family always heard that my mother's mother Annie Barnes came from Scotland. She came to South Carolina wher my grandfather married her, when the moved to North Caroilina.

The Cherokee indians adopted my grandfather, Jonathan Blythe, but we always understood that he never received any money from the indians.

My brother Lloyd R. Welch was Chief of the North Carolina Cherokee indians for several years. It was never claimed by any member of my family that Annie Barnes was an indian, so far as I know.

My indian blood and that of my brothers and sisters comes from my father John Welch, and through no other line of kinship, and further the deponent saith not.

I John Alvin Powell of Cherokee County, North Carolina, being first duly sworn, depose and say:

I am 56 years of age and live about four miles from Andrews, N. C. in said county where I have had my home for nearly all my life. My home has always been within one mile of the farm of David Taylor, whose wife was Polly Bigby, the adopted daughter of Jack Bigby a Cherokee indian. Mrs. Taylor was of light complexion, and had sandy or red hair. I have been in her house hundreds of times, and knew her well as a neighbor. She told me that she was a red mouthed irish woman and that her husband was a scotchman. It was the common understanding that she had no indian blood, and I verily believe this to be the fact, and this was the beleif of my parents and grand parents as often expressed in my hearing.

I knew David Taylor's son, James Taylor and attended school at Robbinsville, N. C. with some of his children. It is my understanding and beleif from observation and common report that none of the Taylor's above mentioned, had any Cherokee indian blood.

None of these Taylor's showed indian blood. My grandfather was John Welch a Cherokee indian.

Madam:-

Relative to the application of Mary L. Byrd of Mena, Arkansas, for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, you are advised that said application does not set forth fully through whom the said applicant makes claim to share in said fund. She should furnish an affidavit under oath, answering the following questions:

Through which parent does she claim to be an Eastern Cherokee?

Was her father an Indian; if so, to what tribe did he belong?

Was her mother an Indian; if so, to what tribe did she belong?

Were either of her parents enrolled with Eastern Cherokees in 1851, and if so, state which one was so enrolled.

When were her parents married?

Andrew Jackson Denton being first duly sworn in behalf of Mary L. Byrd (deceased), deposes and says:

That I am 33 years of age. Mary L. Byrd was my sister. She died last October (1907). I have not filed application myself to participate in this fund. She claimed Indian descent through her father. My mother is a white woman. She claimed through her ~~mother's mother's~~ father's mother. My father was mostly raised in Illinois. Don't know where he was born. He was about fifty when he died. He left Texas and went to Illinois when a boy and he died in Illinois. I was born in Illinois myself. I think my father claimed to be 1/4 Cherokee. Don't know whether my father ever lived with the Indians as a member of the tribe. His mother might have lived with the Indians in Kentucky, I think. My father's mother was recognized as an Indian but I don't know how my father was recognized. Never heard of my father or his mother being on any Indian rolls nor receiving any money from the government by reason of their Indian blood. I never made application to the Dawes Commission, and if my sister ever did I don't know it. My grandmother Armstrong died in Illinois. She went from Texas to Illinois when my father did. I think my grandmother at one time lived in Tenn. She might have left there and come to Texas. My grandmother Armstrong had a brother and I believe she had a couple of sisters. The brother's name was John Armstrong. One of the sisters was named Nancy, I think. I believe she married a Scribner. Am not sure about this. I never knew anything about the Old Settler payment. Never heard of it. The reason I never filed application is because I just kept putting it off until it was too late. I have a brother in Texas and a sister in Oklahoma. Don't think either of them has made application. They didn't know anything about it for a long time.

Can you furnish us with evidence tending to establish the fact that your parents or grandparents were recognized members of the Eastern Cherokee tribe of Indians at the date of the Treaty of 1835-36 and 1846? If so, please state what the evidence is, and send us the names and correct addresses of any witnesses who will testify to that effect.

Sally Jack,

Madam:-

Replying to your letter of recent date, you are advised that the applications for participation in the Eastern Cherokee fund have not been taken up for final consideration, as the Court of Claims in its order of April 29, 1907, has extended the time for the filing of applications to August 31, 1907, and until the applications have all been filed it will be impossible to give final consideration to any of them, or to state just how much each successful claimant will receive.

As there are already over 28,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

Please advise this office the date of the birth and the date of the death of Lucy Jack, as requested in our letter to you of May 22, 1907.

My name is Sally Jack. My age is 38 years. My mother was Sallie Sexton, and Sallie Lambert before marriage. I have not heard from my mother in two years. There were two children older than me. I never heard my mother say how old she was when George was born. My mother is something like 76 or 77. She was never married before she married James Sexton. I never heard my mother say where she was born. I was living two miles west of Newport when I first remember. I have been living in Monroe County about ten years. I knew my grandmother Hony Lambert. She died just before I moved away. She was a very old woman. I have heard my mother say that she had Indian blood and that she was half-Cherokee. My grandmother was a whole Indian. I never heard my mother or my grandmother say that they got any money as Indians. I think I would have heard it if they had received it. I never heard of my mother or my grandmother living among the Indians. Martha Sexton lived in South Carolina the last I heard of her. My mother was in Cocke County close to Bybes P. O. I have written there and have not had any answer. Mr. John Lovell might know about my Indian blood.

"Mr. Chapman says he could not find them. They are upon Siler's list rejected. Siler told him that he considered them entitled. Could find no proof of their descent, through General Mansell, a distinguished lawyer of Marietta, considers them of Cherokee origin, also several other persons. The list of the children is reliable. All of these persons were on Siler's roll but stricken off. Siler reported that he appeared to be half Indian and poses as "Indian John". Tidwell referred him to a certain gentleman as to his right. That gentleman did not remember him. Other persons "trival" said that he is certainly a Cherokee. By a note made in the office on this roll ~~Siler~~ it appears they were rejected because their names or the names of the head of the family was not found to be on the Census of 1835."

APPLICANTS CLAIMING THROUGH JOHN TIDWELL
(OR YOUNG DEER) AND HIS DESCENDANTS.

16

The names of John Tidwell and those of his family do not appear on either the Roll of 1835, Chapman Roll of 1851, or Hester Roll of 1882. Siler enrolled John Tidwell and his family, but their names were subsequently stricken off the roll, because their names, or the name of the head of the family, did not appear on the Roll of 1835. This family, after their names were stricken off the roll, was again considered for enrollment by the Secretary of the Interior and again rejected, for they were not placed on the Act of Congress Roll of 1858.

In consideration of the premises, therefore, the applications herein of all persons claiming through John Tidwell and his descendants are rejected.

Mr. Elijah Eanes,

Dear Sir:-

Replying to your letter of August 23, 1907, you are advised that the applications for participation in the Eastern Cherokee fund have not been taken up for final consideration, and we cannot state at the present time whether or not you are entitled to participate in this fund, or how much each successful claimant will receive.

As there are already over 36,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

There will be no allotments of land in connection with this payment.

If there is any further information required in connection with your application you will be notified.

Very respectfully,

Special Commissioner.

Special Report-

Alex. Brown

IN RE APPLICANTS CLAIMING THROUGH ALEXANDER BROWN AND HIS
CHILDREN, THOMAS, JOHN, ISOM, ANNIS, SALLIE AND
DICIE BROWN. # 357

Applicants herein claim to be descendants of the Alexander Brown whose name appears on the roll of 1835, enrolled at Oostennolles River, Ga. The Alexander Brown on the roll was enrolled with two others, making a family of three, 2 males under 18, and one male over 18, being Alexander Brown himself, all half breeds. No reservees or descendants of reservees.

The substance of the evidence in the case contained in affidavits, and testimony is given below:

Nancy M. Seadley, appl. #39591, misc. test., Page 2232, states she claims through her father, John Brown, son of Isom Alexander Brown, and her father was born in Virginia in 1814. Isom Alexander Brown was probably the son of Alexander Brown, the original ancestor. She states that her grandfather, Brown lived with the Cherokees in Virginia, and that her father lived with the Cherokees in Virginia.

Michael A. Fender, appl. #2242, misc. test. page 2016, states that he was born in Monroe Co., Tenn. in 1829; that he claims through his mother, Dicie Boyd, nee Brown, and that his mother was born in Virginia; that his mother got her Indian blood from her father, Alexander Brown; does not know where the latter was born; that he died in 1838 in Polk Co., Mo. that he had been two years in Missouri before his death; that his grandfather, Alexander Brown was living during the fall and winter of 1835 in Illinois near St. Louis, Mo.; that the wife of Alexander Brown was a white woman; that neither he nor any of his ancestors have received any money or land, and were never enrolled with the exception of Alexander Brown, whom he states was enrolled in Tennessee in 1835 in Monroe Co. That neither he nor his mother ever lived with the Cherokee Indians as a member of the tribe and he does not know of his grandfather ever living with the Cherokee Indians as a member of the tribe; that his grandfather lived as a white settler in Missouri, among white people; does not know how much Indian blood his grandfather had; that in 1851 he and his mother were living in Polk Co., Mo. In 1835 they were living in Illinois, and came from Tennessee with his grandfather, Alexander Brown.

Samuel T. G. Anglen, appl. #2658, misc. test. page 2017, states that he was born in Polk Co., Mo. in 1850, and that his mother was born in the same place in 1832; that his mother got her Indian blood through her father, Thomas Brown, who was a son of Alexander Brown; claims that Alexander Brown lived with the Cherokees as a member of the tribe in Tennessee; does not know whether his grandfather, Thomas Brown, ever lived with the Cherokees as a member of the tribe or not; states that neither he nor his mother nor his grandfather, Thomas Brown, were ever enrolled or ever received any money or land from the Government on account of Indian blood; he claims that his great grandfather, Alexander Brown, was enrolled; does not know on what roll. That his great grandfather, Alexander Brown, was 1/2 Cherokee.

James Harralson, age 80 states in an affidavit of July 30, 1906, that he was acquainted with Alexander Brown; that he came from McMinn or Monroe Co., Tenn. and settled in Polk Co., Mo. on or about the year 1836 or 1837; that when he first knew Alexander Brown he lived in Tennessee; that he heard he came from Georgia to Tennessee. He states that he has "a very clear and distinct recollection of hearing the said Alexander Brown say that he was registered or that his name was on the roll of Cherokee Indians prior to his leaving Tennessee, and I have heard him tell this both before he left Tennessee and after he came to Missouri". That Alexander Brown was 1/2 Cherokee Indian. He states that Alexander Brown had the following children: "Thomas, Ison, John, Jack, Sarah (Hambleton), Dicie, Elizabeth (Ruth), Susan (Proctor), Annis (Pace) and Violet (Ruth)

Russell Stokes, age 86, in his affidavit of July 31, 1906, states that he was acquainted with Alexander Brown after he came to Polk Co., Mo. which was about the year 1835 or 1836; that Alex. Brown told him that he was half Cherokee and that he came to Missouri from Tennessee. He further states that "he told him that he had his papers showing his Indian rights, and that his name was on the roll of Cherokee Indians; the said Alexander Brown has always claimed to be 1/2 blood Cherokee Indian, and he has children claiming to be part Indian and were recognized and reputed to be such by all who knew them". This affiant and others state that Alexander Brown was a tall man, broad shouldered, rather slim with dark hair and eyes and dark complexion.

Michael Fender in his affidavit of August 6, 1906 states that he is 77 years old; that he was well acquainted with Alex. Brown, who was his grandfather; that he came from McMinn Co., Tenn. and that he lived about 4 or 5 miles from his father's residence in Tenn., and that he can remember his being in his father's house several times. That when Alexander Brown left Tennessee and came to Missouri "there were about 6 families came together, including my father's family and Alexander Brown's family, said families were all related to each other. We left Tennessee in the fall of 1833, and came to a place in Illinois 15 or 18 miles east of St. Louis, and stopped there over the winter and in the spring coming on to what is now known as Brighton, Polk Co., Mo., arriving there May 10, 1836. I was with them during their journey from Tenn." That Alexander Brown was 1/2 blood Cherokee; that he was enrolled as a Cherokee Indian on the roll of 1835; that he died in 1838.

From the above, it appears that it is unknown when Alex. Brown was born - that there is contradiction in the evidence as to where he was living in 1835, the weight of it being to the effect, however, that he was in Illinois or Missouri at that time. There is some also to the effect that he was in Tenn. The weight of the evidence is that Alexander Brown lived in Tennessee prior to moving west, - only one person, James Harralson in his affidavit stating that he "heard he (Alex. Brown) came from Ga. to Tenn." The Alexander Brown on the 1835 roll was enrolled in Georgia. He was enrolled with two males under 18 years. Alexander Brown, ancestor of applicants herein had several children, at least six, and most of them must have been over 18 years of age in 1835.

Michael Fender testified that he was born in Monroe Co., Tenn. in 1829, and that his mother, Dicey Boyd, who was a daughter of Alexander Brown was born in Virginia. The name of Boyd or Fender does not appear on 1835 roll. If Dicey Boyd was a daughter of the Alexander Brown on the 1835 roll, why was she not enrolled at that time. If she were not enrolled because she had

gone west prior to 1835, she could not be considered as a member of the Eastern Cherokee tribe at that time or her descendants be beneficiaries under the decree of the Court of Claims herein.

Nancy M. Seadley states that her father who was a grand son of Alexander Brown was born in Virginia in 1814, and that her father and grandf ther lived with the Cherokees in Virginia. It would thus appear that applicants ancestor, Alexander Brown, originally came from Virginia and lived with some Indians there - not the Cherokees as they, as is well known, never lived in Va.

If applicants ancestor, Alexander Brown, had left Tenn. prior to 1835, to which effect is the weight of evidence, he could not have been enrolled in Tennessee or Georgia in 1835, and the Alexander Brown on the 1835 roll could not be applicants ancestor.

The statements of affiants to the effect that Alexander Brown told them that he was enrolled with the Cherokee Indians prior to his leaving Tennessee, should be discounted when considering the age of affiants at that time. ~~that~~ Such statements would have hardly made such an impression upon a child.

In consideration of the premises, the applications of all persons claiming through Alexander Brown and his children, Thomas, Dicey, Isom, Zach, Sarah, Susan, Annie and Violet are hereby rejected.

SPECIAL REPORT

In case 19 and others grouped therewith.

This applicant claims through his mother, whose maiden name was Sarah Mahala Satterfield or Sarah Narcissa or Mary Satterfield. Her mother's maiden name was Lucy Ward, who was a half-blood Cherokee Indian. In this report the applicant's mother will be referred to as Mary ^{Moss} Satterfield.

She had a full brother by the name of Edly Satterfield. After applicant was born his father and mother separated and his mother married a man by the name of Moss. Mary Moss was enrolled by Chapman in 1851, #2037. She was enrolled by Hester #2521. Edly Satterfield, uncle of applicant, was enrolled by Chapman in 1851, #2048. John Satterfield, the grandfather of applicant, was enrolled by Chapman in 1851, #2069.

John Satterfield's first wife's name was Lucy Ward. She was a half-blood Cherokee. After she died he married a woman by the name of Adelp~~h~~ia Ann Trammel, who was a full white woman.

Chapman shows that in 1851 Mary Moss was twenty-six years old and her brother, Edly Satterfield, was twenty-two. Then they were both living in 1835. John Satterfield was enrolled in 1835 (See page 45, 1835 roll) at the head of a family of two, one half-blood Indian and one white person associated by marriage. The half-blood was a male under eighteen years of age. This must have been Edly Satterfield, as it could not have been John Satterfield, for Chapman shows him to have been fifty-six years old in 1851. Then he was forty years old in 1835 and the white person referred to on the 35 roll must have been John Satterfield, himself.

SPECIAL REPORT

In case 19 and others grouped therewith.

This applicant claims through his mother, whose maiden name was Sarah Mahala Satterfield or Sarah Narcissa or Mary Satterfield. Her mother's maiden name was Lucy Ward, who was a half-blood Cherokee Indian. In this report the applicant's mother will be referred to as Mary ^{Moss} Satterfield.

She had a full brother by the name of Edly Satterfield. After applicant was born his father and mother separated and his mother married a man by the name of Moss. Mary Moss was enrolled by Chapman in 1851, #2037. She was enrolled by Hester #2521. Edly Satterfield, uncle of applicant, was enrolled by Chapman in 1851, #2048. John Satterfield, the grandfather of applicant, was enrolled by Chapman in 1851, #2069.

John Satterfield's first wife's name was Lucy Ward. She was a half-blood Cherokee. After she died he married a woman by the name of Adelpia Ann Trammel, who was a full white woman.

Chapman shows that in 1851 Mary Moss was twenty-six years old and her brother, Edly Satterfield, was twenty-two. Then they were both living in 1835. John Satterfield was enrolled in 1835 (See page 45, 1835 roll) at the head of a family of two, one half-blood Indian and one white person associated by marriage. The half-blood was a male under eighteen years of age. This must have been Edly Satterfield, as it could not have been John Satterfield, for Chapman shows him to have been fifty-six years old in 1851. Then he was forty years old in 1835 and the white person referred to on the 35 roll must have been John Satterfield, himself.

After **his** first wife died and he married Adelpia Ann Trammel he had a son born in 1843 by the name of William Henry Satterfield, ^{who} ~~which~~ from the deductions heretofore made must have been a full blooded white person. The **said** William Henry Satterfield has filed an application #17521. He was not enrolled in 1851, although his half-brother and sister were. He not being a Cherokee by blood and not being enrolled in 1851, his claim is rejected.

All the other applicants in this group being Cherokees by blood and claiming through ancestors enrolled by Chapman in 1851 are admitted. (See Misc. Test. P. 3558.)

**SPECIAL COMMISSIONER OF THE COURT OF CLAIMS,
EASTERN CHEROKEE ENROLLMENT,
601 OURAY BUILDING,
WASHINGTON, D. C.**

Sir:-

Relative to your application for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, please state whether you claim to be an Eastern Cherokee Indian by blood through any other line of descent than through _____

If so, set forth fully the name of the ancestor through whom you so claim, who was living in 1835 or 1846, giving his or her full name, and the date of birth and death as nearly as possible, together with the exact place of residence of such ancestor in 1835, or 1846.

Very respectfully,

GUION MILLER,

Special Commissioner.

App. #24.

December 9, 1909.

Liza Coble,

Route #4,

Boaz, Alabama.

Madam:

Replying to your letter of December 6, 1909, you are advised that it is impossible for me, at this time, to state when the Eastern Cherokee fund will be distributed.

However, the money cannot be paid out for some time yet, as there have been a large number of exceptions filed to my report, and until these are considered and passed on, and the roll finally approved by the Court no money can be paid.

Very respectfully,

Special Commissioner.

Eliza Mayberry et al.,

vs. No. 78.

Mr. N. A. Gibson, Special Master to whom this case was referred, submits the following report:

-----0-----

IN THE UNITED STATES COURT IN THE INDIAN TERRITORY.

NORTHERN DISTRICT AT MUSKOGEE.

Eliza Mayberry et al.

vs.

The Cherokee Nation.

NO. 78 SPECIAL MASTER'S REPORT.

I, N. A. Gibson, Special Master herein under the order of the Court heretofore made, show to the Court that under said order I have examined the pleadings and proof herein which are herewith filed and made a part hereof and that I find as follows:-

1

That this cause was filed on the 8th day of September 1896, on which day application was made to the Commission to the Five Civilized Tribes for the citizenship by blood in the Cherokee Nation of Indians, that the said cause was tried by said Commission on the 23rd., day of October 1896 and the application denied no reasons being given for the said decision, and that from this decision the applicants appealed to this Court on December 21, 1897.

11.

That this application was made by Eliza Mayberry, Newton Eddings, Amanda E. Lewis, Rosa C. Blankenship, Harvey A. Mayberry, John W. Blackburn Jr., Andrew A. Blackburn, Emma Shoemaker, Leveny Lovelance, Ophelia Curry, John R. Middleton, Charles C. Middleton, Andrew S. Eddings, Susan C. Foster, Thomas H. Foster, John W. Foster, William F. Foster, Luther Blackburn, Sarah J. Owen, Jane Brown, Mary F.

Edwards, Dell Owen, Pleasant E. Blackburn, William J. Blackburn, Andrew E. Blackburn, Sarah H. Jourdan and Mary Hoard and her three children, all of whom are the great grand children and great^{great} grand children of Dave Weaver, who lived among the Eastern Cherokees in what is now the State of Georgia, and who is claimed to have been a Cherokee Indian by blood and a recognized member of the Cherokee Nation.

III.

That the parties file in support of their application the affidavits of Andrew E. Blackburn, W. J. Blackburn, Thomas J. Taylor, Richard D. Eddings, James D. Eddings, C. R. Harris, John F. Eddings, Samuel P. Hill, Joseph Allsup, Andrew S. Eddings, and John Ross, and a certified extract from the Roll of the Cherokee Nation taken in the year 1835 showing that Dave Weaver, his six boys and one girl were enrolled as Cherokees and that he lived in Cherokee County Georgia, near Sharp Mountain Creek. That the proof shows that Dave Weaver had a daughter by the name of Elizabeth who married a man by the name of Eddings, and that she had a daughter by the name of Frances who married a man by the name of Blackburn, and who was the mother of Eliza L. Mayberry the principal claimant herein, whose maiden name was Blackburn. That these claimants are residents of the Cherokee Nation Indian Territory where they resided for the past eight years.

IV.

The claimants contend that under the showing made by them that Dave Weavers name appears upon the Roll of the Cherokee Nation for the year of 1835, they now being residents of the Cherokee Nation, they are entitled to be admitted to citizenship in the Cherokee Nation as citizens by blood, while the Cherokee Nation contends that Dave Weavers name does not appear upon the Roll of the Cherokee Nation since the removal West to the present location, and that hence under the law applicable to cases of this nature

these claimants are not entitled to be admitted to the Cherokee Nation as citizens thereof.

The premises considered, I find that these claimants are the descendants of Dave Weaver, whose name appears upon the Roll of the Cherokee Nation for the year 1835, that the proof does not show that the said Dave Weaver ever came to the present Cherokee Nation, or was enrolled here as a member thereof, that these claimants are persons of Cherokee Indian blood and descent, and that they are now residents of the Cherokee Nation Indian Territory.

I respectfully ask that the Court will allow me a reasonable fee for my services herein as Special Master.

Respectfully submitted this 8th day of June 1897.

H. A. Gibson.

Special Master.

No exception filed.

My fee paid.

BY THE COURT:

From this report it appears that the claimants base their right to be enrolled as citizens of the Cherokee Nation upon the fact that they are Cherokee Indians by blood. Some of the claimants have resided in the Cherokee Nation for seven, or possibly eight years.

It does not appear that any of them have ever been recognized as citizens of the Cherokee Nation as now constituted. The judgment of the United States Commission rejecting this case is affirmed, and the application of the claimants to be enrolled as citizens of the Cherokee Nation is denied.

Personally appeared before me the undersigned authority H. A. Gibson who being by me first duly sworn upon his oath says that he is the H. A. Gibson, who was the Special Master in the above styled case, that the above and foregoing three pages contain and are the full and true copy of the report of the Special Master and the Decision of the Court in the matter of Eliza Mayberry et al vs The Cherokee Nation.

Sworn to and subscribed before me this August 19, 1903.

Dear Madam you will find inclosed a letter just Recd. from the Hon Com. I will inclose an answer to the same which you will please read and if it is in the proper shape give it to him if it is not it is up to us to shape it up in the proper shape.

First I will say that where all this trouble is, is because our case The Blackburn Mayberry case should be taken up in Rotation Beginning with the head of the Claim Eliza J. Mayberry first John W. Blackburn second Ervin E. Blackburn Third. for the Reason that they are the head of our Claim and with their applications will be found a copy of the Masters Report which is evidence enough without anything more. but I think they contain other evidence showing their relation to Dave Weaver. And when these cases is decided on favourably it will be an easy matter for the Children to prove to their Parents. You see as it is The Court is trying the long end of the case first when I got my No. 45 and saw that my father's ^{John W. Blackburn} No was 26478. I made a New application and wrote to you (I think) about the Disadvantages

that was likley to arise. So i succeeded in getting a
 higher No. than that of my father my last No is 29582
 That would give me a chance to follow my fathers case
 He ask in his letter for the County and State in which
 my Grandparents and Great Grandparents on my Mothers
 Side resided in 1835. As I am not proving to my mother
 She Being a white woman I dont see what that has to do with the
 case. And i do not know whether they had left North Carolina
 at that time or not but to the best of my knolage my
 Mother was Born in Tennessee. My mother has no Indian Blood
 He also ask for the dates of the deaths of my Great Grandmother
 Elizabeth Eddings and my Grand Mother Francis Blackburn
 I do not know the date of my Great Grandmother Elizabeth
 Eddings Death (But it may be my father does) my Grand
 mother Francis Blackburn Died in Marion Co Illinois
 i think in the year 1886. He also ask where my father
 Resided in 1851. I would hafto rite and ask him as i
 do not know the date they left Tennessee.

So you can see if they was trying my fathers case
 first Probly he could answer all of these questions
 But i will say again that Ediza J. Mayberry is
 the one that Ought to be tried first. Could you not
 get the Court to Change the case so as to bring it up
 in that way. He also ask again for the date of my
 Birth which I had given in my other letter

that I was Born in Marion Co Illinois January the 5th 1868
 It seems that Wm F. Blackburn my Brother's case is
 in good shape Why is it has his case Bin Tried
 you stated to him in a letter that Him His Brothers
 and His Father would be placed on the role. if so
 I would like to have it borne in mind that I am one
 of His Brothers. I think i can get a copy of the
 master's Report. and a Statement from my
 father. But it will be just alike the ones
 contained in with the application of my Father

We moved into the Cherokee Nation in the year 1888
 Made new Houses, fenced in and Broke the land and
 from that time on we have bin Lawing the Nation and
 the Government for our just Rights which should be
 given us on our looks if nothing else. But we Have
 made a Brave fight and bin beaten on every hand
 Driven off our land and away from our Farms and
 had to move into towns and compete with all
 kinds of Laborers to keep the wolf away from our doors
 Spent money in our Suit that we needed to buy
 bread while High Salried Officers of the U.S.
 Lived fat in a comfortable Home. If ever injustice
 was done it was to my own people. We have made lots
 of mistake which of course should be laid to our
 Limited Education

BELVA A. LOCKWOOD,
ATTORNEY AND SOLICITOR,
619 F STREET, N. W.

WASHINGTON, D. C., Jan. 22, 1908

Dear Mrs. Mayberry.

I thought your money claim was all right, and all of the heirs of Dave Weaver, but I have suddenly run up against a snag, and have let it go for a little while in order to get in a bill for your people in Congress about the land. It is this.

The Mayberry and Blackburn claim was put in the hands of a young lawyer in the Commissioners office, who is trying to make a record for himself. He declares that if all the statements that your people make are true, that Elizabeth Eddings would have been a grandmother when the Roll of 1835 was made, and that consequently the name of Elizabeth Eddings and family should also be on the Roll of 1835, as well as that of Dave Weaver. Now I have no way to controvert this and I wish you to make a statement of just how old you are, how old Frances Blackburn would be at this time if living, and how old Elizabeth Eddings would be.

and to show if you can that at the Treaty
of 1835 she was but a young girl in
her father's family. Get at her age just
as nearly as you can, and make me a
statement for the Commissioner. I shall
also write your 2 brothers, Jos. S. Black-
burn of Mono Co. Cal. and Wm. J. Blackburn
of Chaslay Okla. to make a similar state-
ment. Attend to it at once.

Show this letter to Harvey A. Mayberry
and have him help you about the matter.
We cannot afford to lose our this matter
now.

DEAR SIR

APPL. #5997-45

IN LOOKINGOVER THE BRIEF OF OUR ATTORNY MRS. BELVE A. LOCKWOOD I FIND SHE IS IN EROR IN REGARD TO OUR GRANDMOTHER, GRANDMOTHER EDDINGS, WAS AN OLDER DAUGHTER THAN THE ONE ENROLLED WITH DAVE WEAVER, 6 BOYS & 1 GIRL. OUR GRANDMOTHER ELISABETH EDDINGS WAS MARRIED AT THE TIME OF THE MAKING OF THE ROLL OF 1835 OUR FAMILY RECORD SHOWS THAT SHE HAD 2 GRAND-CHILDERN AT THE TIME THE 1835 roll was MADE & IF OUR GRANDFARENCE WARE NOT ENROLED IT MUST HAVE BEEN ON ACCOUNT OF THE TROUBLE GRANDFATHER EDDINGS GOT INTO IN KILLING A MAN & BEING SCOUTING THEY DIDNOT WANT THEIR WHERABOUTS KNOWN & PROBABLY NEVER MADE APPLICATION FOR ENRLIMENT. HOWEVER OUR EVIDENCE SHOW THAT ELISABETH EDDINGS WAS THE DAUGHTER OF DAVE WEAVER, TAYLOR & EX-CHIEF ROSS BOTH STATE THAT THEY WARE PERSONALY ACQUANTED WITH OUR GRAND-PARENTS AS WELL WELL AS OUR GREAT GRAND-FARHER DAVE WEAVER, & KNOW THAT JOHN EDDINGS MARRIED ELISABETH WEAVER THE DAUGHTER OF DAVE WEAVER & OUR UNCLES JAMES B. & RICHARD EDDINGS STATED, THAT DAVE WEAVER WAS THEIR GRANDFATHER, & THAT JOHN & ELISABETH EDDINGS WAS THEIR PARENTS. BUT OUR ORIGINAL AFFIDAVIDS WARE SUBMITTED TO DAWES COMMICION, & THEY ARE STILL IN THEIR HANDS, & THE MASTER IN-CHANCERYs FINDINGS IS ALL WE HAVE BUT HE SAYS HE FINDS THAT THESE PERSONS ARE OF CHEROKEY INDIAN BLOOD & DECENT & THAT THEY ARE THE DESENDANCE OF DAVE WEAVER A CHEROKEE INDIAN ON THE ROLL OF 1835.

Dear Madam;

I am in rec. of your letter
of rec date & will say, that it
will be impossible to make the
statement you wish, for this
season, the commissioner has
sent me two letters of inquiry
in regard to this matter & I
have ans. those letters, I told him
the facts in the case, which are
as follows.

Elisabeth Eddings, my grandmother
was an older daughter than
the one mentioned in our appl.
as being on the Roll, with Dave
Weaver, the Roll reads 6 boys & 1 gl.

now; My grandmother, was a married woman at the time of the making of the Roll of 1835; our family record shows, that she had, 2 grandchildren & of course, should have been on the Roll also. but unfortunately My grandfather Eddings, killed a member of the tribe, & was scouting, for a number of years & if they were not Enrolled, that is probably the reason, they having lived in Tenn. & Ills., & were wandering around, for years, from all the dates & records we have, they were in Tenn. when the 1835, Roll was made,

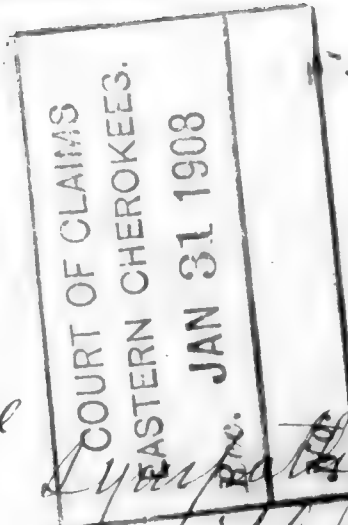

they did not want their place
 of residence known, at that
 time, & therefore did not apply
 for Enrollment, but the affidavits
 of Taylor & Eschier Ross, says,
 that, they knew, our grandfather
 & grandmother, personally, as
 also, our great grand father,
 Dave Weaver & knew, that
 John Eddings, married, Dave
 Weavers daughter, & our uncles,
 James B. & Richard Eddings
 stated positively, that, John
 & Elisabeth Eddings, were their
 parents, & that Dave Weaver
 was their grandfather, those
 original affidavits, were,

submitted to the Dawson, &
are still in their hands, the
Special Masters Report, being
all we have ^{to} go by,
you will notice that Francis
Eddings, My Mother was
born in 1817, I sent you a copy
of our Family Record some
time ago. notice in the Special
Masters Report, he says, he finds
that, these persons are, the
Descendants of Dave Weaver, &
of Cherokee Indian Blood,
these are the facts as we know
them, & I have wrote the
commissioner the same.
Respectfully Eliza Mayberry.

he would be sorry indeed, if
we should lose out, on this

COURT OF CLAIMS
EASTERN DISTRICT
JAN 10 1900

Collinsville Okla.

Feb. '3-1908.

Mrs Melva A. Lockwood

Washington D. C.

Dear Ma'am.

Your letter dated Jan. 22. 1908. and addressed to me at Moneta Cali'f. Received and contents noted.

I see from the writing that it is intended for my Father John W. Blackburn of Moneta Cali'f. as you spoke of his Mother Francis Blackburn. John W. Blackburn Sr. is a brother to Eliza L. Mayberry. John W. Blackburn Sr has 7 Children Naimly. John W. Blackburn Jr James A. and L.W. Blackburn. Martha Emma Shoenaker. Levarie E. Padlock Lucy A. Dye. and Opheia A. Corrie.

In answer to your letter I will say That what I know about our Indian Blood is by the affidavits of my Ancestors ' several of whom I knew and was personally acquainted with before their death. and as I have Affiliated with the Indians 'I know that we are of the same blood I have saw and read the Affidavits of James B. and Richard Eddings who was abrothers to Francis Blackburn. They testify that they are desendants of Dave Weaver' through Elisabeth Eddings Daughter of Dave Weaver and that Dave weavers name is on the roll of 1835.

we also had the Affidavits of Daniel and Josepa Alsop who knew of our Cherokee blood and relation to Dave Weaver. We had Affidavits of ex officiels of the Cherokees. and other evidence to numerous to mention (unless it is nessary to mention it) Our Evidence was all complete and all that we needed ' if we had affidavits from all of the Ex Chiefs of the Cherokee Nation Testifying to our Cherokee Blood I dont see how it could strengthen our evidence in the least. This Evidence was First presented to the Daws Commission At Vineta Next at Muscogee ' There our Evidence was examined by a Master of Chancery ' and the result of his findings was from the Evidence presented in the case. is This Court Reccord Conclusive. Can this report be again said. Certainly not. 'then why could any one doubt the value of our evidence. of course if this evidence is needed we must proceed at once to demand it. *of the Com. at muscogee*

As to the reason that Elisabeth Eddings (nee Weaver) did not Inrole herself and her Children' It is a very reasonable thing to account for' from the fact that she (our evidence show) Bior in the State of Missouri in the year 1841. that would be 6 year after the Roll of 1835. was made. She might have been a Grandmother at the time and prolly was. As our evidence show that in the year of 1835' that Francis Blackburn lived in the State of Tennessee (My Father John W. Blackburn Sr. was born in Tennessee' and his Grandmother with her family moved from there to Ills. when my Father was small prolly five or six year old. as best he can remember.

The roll of 1835. shows that Dave Weaver Inrolled himself and his Family. and it is proble that he had no right to Inrole any of his Grandchildren' and as there was but very little interest taken in the Inrolling business in those days is one of the reasons that several others are not on the same roll.

Land in Ills was very cheap in those days and it seems that our people was more interested in that direction than they were in getting on a Roll. I (fail to see that it makes any difrence as to The age of Elisabeth or the reason that she did not inrole herself or her Children. It Is a fact that there is an Injustice done when any one of the Indian Blood is not on the roll. My Father Moved to this Cherokee Nation In good faith and has fulfilled all of the requirements of the law (Come in 1889 I came in 1890.) we have proved our Claim without a doubt' and if we do not get on the Roll it will always be on record that the desendants of Dave Weaver done their part. Let or not and I hope we will be successfull this time.

(Our evidence also show that we are Decendants of Dave Weaver.)

I was well and personally Acquaint'ed with my Grand-mother Francis Blackburn She was and looked to be a half-blood Cherokee She died in Marion Co. State of Illinois in the year of 1886.

I think it would be a good plan to (and justice to us) if the Commissioner would Summons one of our party to appear in Person before that Court to Explain this case and make it plain' as All any Court wants to do is Justice and right by all parties that is concerned' and I am well satisfied that when Our Case is properly understood' we will be placed on the Eastern Roll.

(I will suggest (if it can be done) that Frank E. Foster be Summonsed as he is well posted on all of our former proceedings and with the Evidence in the Claim he is also better gifted with speech than any of the others of us' and looks to be almost a Fullblood Cherokee.

His address is Claremore Okla.

he bares the same relation to the Claim that I am 'being a Son of Susie Foster who is My Father's Sister.

I dont see how we could send a party on our own accord as we are all short Financially. but if it will do good we will try and send him.

I dont see that it makes any difrence in the case whether Elisabeth Eddings (nee Weaver) was Grand-mother or not Or if Dave Weaver was Great-Grandfather-Father. he Inroled himself and his 7 Children' Probly he was the only one of the family that was there at that time (as our Evidence will show that Elisabeth was his daughter and died in Missouri 6 year later or in 1841.) and People in those days were very dilatory about Inrolling.

And it was the same thing with my Father and his Brothers and Sisters. We staid in Illinois a long while after we had contemplated coming to the Cherokee Nation.

I Suppose you got a Copy of all of our Original Evidence when You were at Muscogee' if you did not and it is needed now you might get an order for it from the commissioner. My opinion was and is now ' That Court Records is worth more than the Original Evidence and as The Masters Findings in our Case is Found by the Evidence I do not see that Evidence would be of any more use.

Please excuse poor dictation and badly composed cotations.

if there is any thing that I have not mentioned that I should write me and I will Gladly give any information that I can.

I gess You will get a letter from Elisa L. Mayberry that will give you more Information than I have done.

Please write me and let me know how you think you will get on with the case.

I am yours very Respetivly.

To the hon. Guion Miller

Special Com. of the Court of Claims

Sir/ I learn through a letter from our Attorney that a statement has bin made to the efect that Elisabeth Eddings Would have bin a Grandmother at the making of the roll of 1855 and Consequently her nameand family would have bin on the roll of 1855' as well as Dave Weaver.

I Respectively beg leaf to state that it is true that Elisabeth Eddings was at that time a Grandmother (as our Evidence showed) We never Did claim she was young at that time . and Never in all the long years we have bin Pushing this Claim did we Authorise any Lawyer or Person to make a statement That she was Young at that time nor That she was the only Daughter of Dave weaver.

We have always made our Claim to Dave Weaver who is on the Roll of 1855' We do not try to show why Elisabeth is not on the Roll neither do we try to show why Francis Blackburn is not on the Roll' nor why her Children are not on the Roll. We Made our Case to Dave Weaver his name is on the roll of 1855 We are decendantsof Dave Weaver Through his Daughter Elisabeth Eddings' she having married John Eddings . Francis Blackburn is a Daughter of Elisabeth' francis having married Andrew E. Blackburn.

We do not try to show why our string of relation are not on the roll of 1855 or why we are not on the roll of 1880. nor can I tell why we are not on the roll madeby the DawsCommission I do know that we are Cherokees and Decendents of Dave Weaver

now as we have made a plain Case to Dave Weaver I do not see why we are required to know why any of his Decendants are not on the roll of 1855. I fail to see how it makes any difrence Who is on or who is not . The Question is are we Desendants of Dave Weaver or are we not The Masters Report sais we are can it be taken as Conclusive Evidence in the Case' if it is we need nothing more, if it is not we Respectivly ask that our evidence as Submitted to the Daws Commission be ordered before your Court. and we be notified to furnish a list of that Evidence' and the Commission ordered to furnish it .(or to produce it) Now I Know we Employed a lawyer to Represent us in all of our difrent trials and we have had as as many difrent lawyers as we have had trials therefore it is a hard matter to Make any lawyer understand our case as well as we understand it our selves and any little mistake made by any one Must be looked on as a comen fault of almost all of us.

Some of our people ware in The cherokee Nation In 1880' they knew they ware Cherokees but made no attempt to get on that roll I ask them why and they said they did not know why they could very easily tell me why they could not buy any whisky in Fortsmith but did not know why they did not try to Inrole I do not know why the Government did not hunt our people up and Inroll them .It seem to me that our people cared but very little about a home as fare back as I can remember they have all bin homeless or almost so as the majority of us rent houses to live in' andbut very fiew of them ever owned a farm' and there is a good probibility we never will. If our ansestors had done their duty to their selves and to their Children we would all have had homes now and not have to be trying to inroll.

Yours very respectfully

Dear Sir:

In re claim No. 18606, I understand that the law firm of Belva^a and Lockwood, of Washington, D. C., have filed a brief in the case of J. A. Blackburn⁹ my cousin- claiming Elisabeth Edings was a young woman in 1835. I wish to say our people never authorized any such claim, it has always been understood by us and also by all of the Courts before which this matter has come that Elisabeth Edings was a grandmother 35 or 40 years of age in 1835.

I personally am not able to tell you where Elisabeth Edings was in 1835, but her father's name, (Dave, Weaver) appears on the 1835 Rolls and we have placed before you certified evidence of the fact that I, William F. Foster, the son of Susan Foster, who was the daughter of Francis Blackburn, and that Francis Blackburn was the daughter of Elisabeth Edings, and that Elisabeth Edings was the daughter of Dave Weaver whose name appears on the 1835 Rolls.

Trusting that this information may serve to correct matters, I am,

These applicants allege that they are descendants of the Dave Weaver who was enrolled in 1835. They claim through Elizabeth Weaver, daughter of Dave, who married John Eddings, and who had the following children: Frances Blackburn nee Eddings, Ivan Eddings, Richard D. Eddings and Jesse Eddings. The applicants herein are the descendants of these children.

There is a conflict of evidence as to where Elizabeth Eddings was residing in 1835. There is some evidence to the effect that she died in that year. Levi R. Eddings, Elizabeth's grandson, (applicant #2370), states that she died in Marion Co., Ill. in 1835 (see Exhibit 2). Andrew E. Blackburn (applicant #6007), another grandson states that she died in Mo. in 1841 (see Exhibit 4). Josiah Eddings (applicant #1671), also a grandson of Elizabeth, states that his grandmother was living in Tennessee in 1835 (see Exhibit 6).

There is a "Dav" Weaver on the roll of 1835, Cherokee Co., Ga., Page 38, enrolled with six others, making a family of seven - all full-bloods, and it is stated on that roll that there were in that family, four males under 18 years of age, two over 18, and one female under 16 years of age.

Elizabeth Eddings, as shown by applications and other evidence, was a grandmother in 1835, having several grandchildren who were born in about 1830 and one in 1828, who was a brother of Levi R. Eddings (applicant #2370) and the son of Ivan Eddings.

There is no evidence in this case as to whether Dave Weaver had any other children than Elizabeth Eddings, and there is no evidence tending to prove that the Dave Weaver on the roll of 1835 is the ancestor of applicants herein, except their statements to that effect.

Elizabeth Eddings or her husband should have been on the roll of 1835 under the name of Eddings, if she were living in the Cherokee domain or were a recognized member of the tribe at that time. Most of her children were also heads of families in 1835, and should also have been enrolled at that time under their own names. Neither the names of any of the ancestors nor the names of any of the applicants herein, with the exception of that of Dave Weaver, appear on the rolls of 1835, 1851 or 1882. The necessary supposition is, therefore, that if Elizabeth Eddings was an Eastern Cherokee and was ever a recognized member of the tribe, she had left the tribe prior to 1835, and since that time neither she nor any of her descendants have been connected with or recognized as members of the tribe. If she and her children had not left the Cherokee tribe but had been recognized members thereof, they would certainly have been enrolled on some of the Eastern Cherokee rolls.

As above shown, the Dave Weaver on the roll of 1835 was enrolled with a family of six, four being males under 18 years of age, and one female under 16. Elizabeth Eddings, who as claimed by applicants herein, was the daughter of David Weaver, and was as above shown, a grandmother in 1835 and had a grandchild seven

(2)

years old at that time, so that it is extremely improbable that Dave Weaver would have had several children under 18 years of age and one who was a grandmother at the same time.

Even conceding that applicants herein are the descendants of the Dave Weaver whose name appears on the roll of 1835, they would not be entitled, as Elizabeth Eddings and her children as above shown, were old enough to have been enrolled on the 1835 roll in their own names as heads of families, and if Elizabeth had left the tribe, they would be classed as Old Settlers, if Cherokees at all and applicants herein would not be entitled on that ground.

In consideration of the premises, therefore, the applications of all persons claiming through Dave Weaver and his daughter, Elizabeth, are hereby rejected.

APPLICATION #45.

JAMES A. BLACKBURN et al, applicants claiming through

DAVE WEAVER.

These applicants allege that they are descendants of Dave Weaver who was on the roll of 1835. They claim through Elizabeth Weaver, daughter of Dave Weaver, who married John Eddings. They had the following children:--

Frances Blackburn, nee Eddings.
Ivan Eddings.
Richard D. Eddings.
Jesse Eddings.

Applicants herein are the descendants of these children.

There is a Dave Weaver on the roll of 1835, Cherokee Co., Georgia, page 38, ^{enrolled with 6 other males, female, 7 P, all full bloods,} and it is stated on that roll that there were in that family 4 males under 18 years of age, 2 over 18, and one female under 16. ^{ET}

Elizabeth Eddings, who it is claimed was a daughter of ~~th~~^{the} Dave Weaver on the roll, was a grandmother in 1835, having several grandchildren who were born in about 1830, and one in 1828, who was a brother of Levi R. Eddings, applicant #2270, and the son of Ivan Eddings. Elizabeth Eddings should have been on the 1835 roll under the name of Eddings and her children above mentioned, most of whom were heads of families at that time, ~~should~~^{should} also have been enrolled under their own names. None of the names, however, with the exception of the name of Dave Weaver, appear upon the rolls of 1835, 1851 or 1882. The supposition, therefore, is that Elizabeth Eddings left the tribe, if she were ever connected with it, prior to 1835, and from that time on none of her descendants have been connected ^{with} or recognized as members of the tribe.

Evidence has been procured from letters and affidavits which is substantially to the following effect:--

That application was made some time in 1896 to the Commission of the Five Civilized Tribe by members of this family

for citizenship by blood in the Cherokee Nation. The application was denied. Applicants appealed from the decision of the Commission to the United States Court in the Indian Territory for the northern district. The matter was referred to the Special Master for a finding of fact, and the finding was to the effect that the claimants were descendants of Dave Weaver, whose name appears upon the 1835 roll, and that they were Cherokee Indians by blood. This finding is relied upon by the applicants and a copy of it is filed herewith. (See exhibit 1)

LEVI R. EDDINGS, applicant #2370, states that his grandmother Elizabeth Eddings died in 1835 in Marion Co., Ill (See Exhibit 2)
WILLIAM F. FOSTER, applicant #18606 states that Elizabeth Eddings was a grandmother in 1835, but that he does not know where she was at that time (See exhibit #3)

ANDREW E. BLACKBURN, applicant #6007 states that his grandmother Eddings died in 1841 in Missouri, that he does not know where his uncle Ivan Eddings lived in 1835 "John Ross stated in his affidavit that Ivan Eddings was guard on the last Council he held back east" (See exhibit #4)

ELIZABETH MAYBERRY, applicant #5995, states that her grandfather Eddings, husband of Elizabeth Eddings, "killed a member of the tribe and for the next few years was on the scout", that he lived in Marion Co. Ill. in 1838-9. (See exhibit #5)

JOSIAH EDDINGS, applicant #1671 states that his grandmother, Elizabeth Eddings resided in Tennessee in 1835. (See exhibit 6)

ANDREW J. EDDINGS, applicant #1672, states that his grandmother, Elizabeth Eddings left Tennessee for the West about 1835.

(See exhibit #7)

ELIZABETH MAYBERRY, applicant #5995, further states that her grandfather Eddings killed a member of the tribe and was scouting for a number of years, and that from the family records it appears

that her grandmother Eddings was in Tennessee in 1835, that she did not want her place of residence know, and, therefore, did not apply for enrollment. She also states that her mother, Frances Eddings, daughter of Elizabeth Eddings, was born in 1811. (See exhibit #8)

JOHN W. BLACKBURN, applicant #5997, states that he was born in Tennessee in 1834, moved to the Indian Territory in 1887, never had an opportunity to be enrolled until after he came to the Territory, and then the right was denied him. That he does not know where his grandmother, Elizabeth Eddings, resided in 1835. (See exhibit #9)

No. (App.) 1672.

AT THE COURT

Eliza Mayberry et al
vs No. 78.
Cherokee Nation.

Mr. N. A. Gibson, Special Master to whom this case was referred submits the following report:

IN THE UNITED STATES COURT IN THE INDIAN TERRITORY
NORTHERN DISTRICT AT MUSCOGEE.

Eliza Mayberry et al)
vs) No. 78. Special Master's Report.
The Cherokee Nation.)

I, N. A. Gibson, Special Master herein under the order of the Court heretofore made, show to the Court that under said order I have examined the pleadings and proof herein, which are herewith filed and made a part hereof, and that I find as follows:-

I

That this cause was filed on the 8th., day of September 1896, on which day application was made to the Commission to the Five Civilized Tribes for citizenship by blood in the Cherokee Nation of Indians, that the said cause was tried by said Commission on the 23rd., day of October 1896 and the application denied, no reasons being given for the said decision, and that from this decision the applicants appealed to this Court on December 21, 1897.

II

That this application was made by Eliza Mayberry, Newton J. Eddings, Amanda E. Lewis, Rosa C. Blankenship, Harvey A. Mayberry, John W. Blackburn, John W. Blackburn Jr., Andrew A. Blackburn, Emma Shoemaker, Leveny Lovelace, Ophelia Curry, John R. Middleton, Charles C. Middleton, Andrew S. Eddings, Susan C. Foster, Thomas E. Foster, John W. Foster, William F. Foster, Luther Blackburn, Sarah J. Owen, Jane Brown, Mary F. Edwards, Dell Owen, Pleasant F. Blackburn, William J. Blackburn, Andrew E. Blackburn, Sarah H. Jourdan, and Mary Hoard and her three children, all of whom are the great grand children, and great great grand children of Dave Weaver, who lived among the Eastern Cherokees in what is now the state of Georgia, and who is claimed to have been a Cherokee Indian by blood and a recognized member of the Cherokee Nation.

III

That the parties file in support of their application, the affidavits of Andrew E. Blackburn, W. J. Blackburn, Thomas J. Taylor, Richard D. Eddings, James B. Eddings, C. R. Harris, John F. Eddings Samuel P. Hill, Joseph Allsup, Andrew S. Eddings, and John Ross, and a certified extract from the Roll of the Cherokee Nation taken in the year 1835 showing that Dave Weaver, his six boys and one girl were enrolled as Cherokees and that he lived in Cherokee County Georgia, near Sharp Mountain Creek. That the proof shows that Dave Weaver had a daughter by the name of Elizabeth who married a man by the name of Eddings, and that she had a daughter by the name of Frances who married a man by the name of Blackburn, and who was the mother of Eliza Mayberry, the principal claimant herein, whose maiden name was Blackburn. That these claimants are residents of the Cherokee Nation, Indian Territory, where they have resided for the past eight years.

IV

That the claimants contend that under the showing made by them that Dave Weaver's name appears upon the Roll of the Cherokee Nation for the year 1835, they now being residents of the Cherokee Nation, they are entitled to be admitted to citizenship in the Cherokee Nation as citizens by blood, while the Cherokee Nation contends that Dave Weaver's name does not appear upon the Roll of the Cherokee Nation since the removal West to the present location, and that hence under the law applicable to cases of this nature these claimants are not entitled to be admitted to the Cherokee Nation as citizens thereof.

The premises considered, I find that these claimants are the descendants of Dave Weaver, whose name appears upon the Roll of the Cherokee Nation for the year 1835, that the proof does not show that the said Dave Weaver ever came to the present Cherokee Nation, or was enrolled here as a member thereof, that these claimants are persons of Cherokee blood, and descent, and that they are now residents of the Cherokee Nation Indian Territory. I respectfully ask that the Court allow me a reasonable fee for my services herein as special master. Respectfully submitted this 8 day of June 1897.

N. A. Gibson

Special Master.

My fee paid.

No exceptions filed.

BY THE COURT.

From this report it appears that the claimants base their right to be enrolled as citizens of the Cherokee Nation upon the fact that they are Cherokee Indians by blood. Some of the claimants have resided in the Cherokee Nation for seven or ~~eight or ten~~ possibly eight years. It does not appear that any of them have ever been recognized as citizens of the Cherokee Nation as now constituted.

The judgment of the United States Commission rejecting this case is affirmed, and the applications of the claimants to be enrolled as citizens of the Cherokee Nation is denied.

I, N. A. Gibson, Special Master in the above and foregoing cause do hereby certify that the above and foregoing two pages are a true and correct copy of the report filed by me in the said cause, and of the judgment of the Court thereon.

Witness my hand at Muskogee, Indian Territory, this the 27th., day of September 1900.

Death of Col. James Taylor.

Colonel James Taylor, one of the oldest and greatest Cherokee lawyers, died at the home of his daughter, Mrs. F. M. Rucker, near Claremore, I. T., January 14, 1907. He was born in Morgantown, Tenn., Oct. 25, 1821.

He was representative and attorney for the Eastern band of North Carolina Cherokees in Washington, D. C., for more than forty years and was present at the inauguration of every president from Buchanan to Roosevelt. In 1868 Colonel Taylor started the suit against the government for the \$5,000,000 due the Eastern Cherokees and which was recently decided by the United States supreme court in favor of the plaintiffs.

A number of years ago Colonel Taylor received 84,000 acres of land in North Carolina which is known as the "Qualala boundary" which had been taken from the Cherokees fraudulently. This tract of land is now occupied by 1,000 full-blood Cherokees. Colonel Taylor had in his possession all the archives, treaties, etc., of the Cherokees for the past 300 years and by his will he has turned these valuable documents over to his son, John M. Taylor, Jr., of this city. Colonel Taylor has been a member of the Masonic order since 1850, being a charter member of Murphy N. C. lodge.

James Taylor, aged 85 years, was married to Miss Addie Mauchester in Washington, D. C., in the year 1851 and both joined the First Baptist church in Washington, D. C., in 1853. His wife died in 1884, at Murphy, N. C., leaving five children, namely: John M. Taylor, Jr., James L. Taylor, Wm. T. Taylor, Dora Rucker and Addie Matthews.

Hon. Guinn Miller,

Commissioner to Make Eastern Pay Rolls.

Washington, D.C.

Dear Sir:

Many thanks for decisions of court of claims in the Emi-
grant cases which I received this morning from you. I have just
returned from Bunch, Cherokee Nation, I.T. where I have met
about 1000 full blood Cherokees in a convention held for the
purpose of indorsing me as nominee as a candidate on the Repub-
lican ticket for Congress from the Third District, Oklahoma.

They asked me through their interpreters what action had
been taken in reference to their emigrant money. The only of-
ficial answer I could give them was from the newspaper reports
to the effect that you were appointed to make the roll of all
whose ancestors were parties to the treaties of 1835, 6 and 1846.
I think it would be wise for you to have your notice printed in
the Cherokee language and sent to Baxter Choat, Bunch, I.T. who
could distribute them by calling a meeting of the full bloods in
the mountains who rarely go to a post office. Then they would
know what to do. I wish you would kindly send me a number of
your new blank forms or applications and instructions if I will
have to fill out a blank on these new forms giving the names of

Sir:

Your letter relative to the Eastern Cherokee enrollment is at hand, and you are advised that your application has been given a preliminary examination but it has not yet been finally acted upon.

More than 44,000 applications have been filed and in many instances testimony will have to be taken locally in order to obtain the necessary information to pass upon the claims. Some of this testimony has already been taken and several parties are now engaged upon this work, but it will necessarily take considerable time to complete the taking of testimony and the final adjudication of the claims.

If we are unable to reach a conclusion as to your case you will be notified to appear before one of my assistants at some convenient point to furnish the additional testimony required.

Very respectfully,

GUION MILLER,

Special Commissioner.

Jane Carter, after being first duly sworn, deposes and says:

Was born in Gullatown, N.C.; am 66 years of age; came here when I was 15 years of age from Gullatown and have lived in Georgia ever since., except seven months in the West. I claim Cherokee Indian blood through my father, Nathan T. Carter. I have never received any Indian money from the government and my father never received any that I heard of. In 1852 my father lived in North Carolina. I can remember when the Indians were paid in 1852. My grandfather, William Carter, was almost a full blood Cherokee Indian. ~~My father died in 1852~~ ~~in North Carolina~~ Twenty-five years ago I lived here. I think I remember a man coming through this country taking the names of people of Indian blood but do not know his name. My father died just after the war. My father's sister, Mashby Russell, went to the Territory with the Indians but came back right away. Another aunt by the name of Annie Sourjohn also went. One of my uncles, Bill Russell went to the Territory and got an allotment. He settled there and so did his children. My grandfather died after we left N.C. My father proved by three witnesses once that he was a Cherokee Indian.

Thomas R. Trammell, witness for Jane Carter,
after being first duly sworn, deposes and says:

I know Jane Carter and have known her ever since she has been in Georgia. I knew her father. He claimed to be a Cherokee Indian. I do not know if he claimed to be a full blood or not. He was tall with straight black hair and black beard. He spoke the Indian language. I do not know if he ever received any Indian money except that he said he never did. He said he never tried to get any. He was fixing to try when he died. He was a farmer. He and I went to the Cherokee Nation among the Indians in N.C. and they recognized him as a Cherokee Indian. An Indian by the name of Sanders recognized him as an Indian. Sanders was probably a half breed. He was an interpreter for the preachers. A man would preach and he would tell it to the Indians in Indian language. I do not remember if he ever said anything about why he was not paid in 1852. I am 78 years of age. R. Carter was a voter. I knew him from the time he came here about 1853 until he died. I know he was a voter because we were friends and always voted together. Her brothers and cousin were with me in the Civil War.
